

CONSERVATIVE BIBLE ASSOCIATION COVENANT

I. COVENANT STATEMENT

We recognize the need for formal membership. We ask our members to commit themselves to God's authoritative Word by signing the covenant that defines what is expected for all members. Members can either be churches, para-church organizations, or businesses seeking to give to missions. Members are not asked to do any more than what is clearly taught in the Bible. As the Bible as our authority, we seek to obey all its commands as given by God.

II. SUBMIT THE FOLLOWING DOCUMENTS

If your church, para-church organization, or business as mission desires to join the association, then submit the following documents for approval to info@christcentered.info.
